## Employer, employee listings for 2018

In 2011, when the Pottstown Area Industrial Development Authority (PAID) reorganized with a new board of directors, it adopted by-laws requiring PAID's director to submit an annual progress report that included an inventory of all borough businesses.

That never happened, but the borough's tax collector does provide a list of employers and the number of people they employ. Unfortunately, the list shows a lot of turnover in employers and contains numerous

obvious inaccuracies. The latest list, for example, reports the Pottstown YWCA has no employees.

But the list is the best we have, and it provides an overview of Pottstown's employment situation.

As the chart of our top 25 employers (below) shows, we only have two major manufacturers left. Most of our jobs involve retail, government and services.
