## Pottstown grads = top colleges

Jayniana Williams, Pottstown High School Class of 2022, will attend Stanford University next year on a full scholarship — tuition, room and board, the works.

Commentary by  
Tom Hylton

She will major in human biology with the goal of becoming a physician.

A lot of people don't realize it, but top Pottstown graduates can — and do — compete with anybody, anywhere. They are admitted into the nation's finest colleges and universities, and they excel once they get there.

Many of the Pottstown students on this page, who have graduated in recent years, are receiving their college education on full scholarship.
